

## Basic Mustard Beanie Free Pattern by TheThingsWeDo Blog

### Materials:

- size 8 (5.0mm) Circular Knitting Needles
- set of four size 8 (5.0mm) double pointed knitting needles
- 1 skein of Alpaca Lanoso (Turkey) wool blend (100 grams).
- yarn needle

### Gauge

15 sts and 21 row = 4x4in or 10x10cm

### Size:

Hat diameter is **50 cm/20 in** (but it is really stretchy)

### Abbreviations:

**K** – Knit

**P** – Purl

**K2tog** – knit two stitches together

**P2tog** – purl two stitches together

### Base of the hat

1. Cast on **80** sts using circular knitting needles.

P1, K4 until the end of row. Join for knitting in the round. Knit **10cm/4in** of K4,P1 rib.

2. After you knit **10cm/4in** of P1, K4 rib, start knitting K1, P4 rib. Knit **12cm/5in** in the following manner.

### **Decrease**

**Row 1:** \*K1, P1, P2tog, P1\* repeat from \* till the end of row. You will have **66** sts on your needles.

**Rows 2-3:** Knit K1, P3 rib;

**Row 4:** \*K1, P1, P2tog\* repeat from \* till the end of row. You will have **52** sts on your needles

**Rows 5-6:** Knit K1, P2 rib;

**Row 7:** \*K1, P2tog\* repeat from \* till the end of row. You will have **38** sts on your needles.

**Note:** *Switch to double pointed needles if necessary*

**Rows 8-9:** Knit K1, P1 rib;

**Row 10:** K2tog until the end of row. You are left with **24** sts;

**Rows 11-12:** K until end of row

**Row 13:** K2tog until the end of row. Now you have only **10**sts left.

Cut yarn, leave the long tail and thread it through the remaining 10 stitches. Pull tight and weave in the end on the inside of the beanie.
